

for an excellent finish

Belts, wide: BW 110

Powerful, edge-stable and antistatic paper-backed aluminum oxide wide belt

Product benefits

- Antistatic equipment and half open grain coating prevent premature clogging with sanding dust
- Good stock removal rate even with grinding pressure
- Stable and also flexible paper backing
- Excellent finish quality, especially for premium hardwood veneer
- Highly cost-effective for all types of wood

Applications

Furniture:

- Fine sanding of furniture parts before coating on stationary sanding machines

Lacquered wood parts:

- Lacquer sanding on wide belt sanding machines
